2. Review meeting guidelines for guests and zoom attendees:

Welcome! Thank you all for attending our committee meeting. We appreciate all involvement and input. In order to respect our committee members and our guests' time, we will follow a strict protocol for sharing thoughts, perspectives, ideas and concerns. We ask that all guests hold their comments and questions for the indicated discussion time on the agenda. After each major topic discussed there will be a 10 minute discussion time opened up to the entire group and you will be asked to raise your hand and share when called upon. Before adjournment we will have a brief 5 minute discussion to address anything that arose that was not on the agenda. If you have items that you would like to be addressed in the meeting, please reach out to me via email 7 days prior to the monthly meeting so that I can add your contribution, if appropriate. THANK YOU! This protocol will help us get more done, in a timely fashion.

4. New Business

a) Share findings from research done:

- Home hardening (Carolyn)
- Repellents (John)

- Car hardening (Jose and Madison)
- Garage/sheds (Madison)
- Hazing—what works, what is expected? (Madison)
- Research and organize causes of human/bear conflicts (Lynn and Madison)

Discuss how to best get this info out there: Flyers, mailers, FB, Town Halls, etc.

Open Discussion: 10 minutes

- b) Discuss ideas and plans to increase outreach and synthesized information about the above mentioned to the community:
- Discuss the list that Lynn Stafford provided to create protocols for informing various groups of people who live here or come into our community regarding being bear aware. Consider how we can most effectively inform these groups of our rules, the law and also provide the risk of being fined.
 - How can we work with the Communications Committee to disseminate information regularly?
 - Discuss sign creation (discuss more details needed for an A2).
 - Make clear what the protocol should be if there is a human-bear or property-bear conflict and disseminate this information.

Open Discussion: 10 minutes

5. Final comments unrelated to agenda items: 5 minutes

Motion to adjourn @ 6:15pm

Next regular meeting will be held Monday, March 3rd, 2025, via Zoom and in the Pavilion @ 5pm.
