2. Approval of minutes for 4 September 2018 meeting.

Minutes approved via email.

3. Discussion/ New items

Discussion was held regarding the need for a round pen cover. Members and guests brought up pertinent reasons including health and safety, legality concerns and the years of lack of improvements towards the equestrian center. Members and guests will be present at the upcoming budget board meeting this coming Sat 3/9/19 at 10am to present these concerns.

New feed store has opened up in Frazier Park!

Lori has contacted the owner and they will be able to order items such as hay, senior feed and pellets at a great price so let Lori know which brands you are currently using so she can advise the owner of the feed store, they may possibly be able to deliver these items if we can get a large enough order.

Extra Services: Just a reminder, any and all services provided to your horse will be included in your monthly equestrian bill. This includes any supplements, blanketing or unblanketing etc. that your horse may need.

Please remember to give Lori and staff plenty of notice **prior** to these requests. As we all know, this winter has been challenging and Lori and the staff cannot always check their phones for last minute requests as they are so busy trying to keep up with the day to day challenges that arise when the weather is extreme.

Housekeeping items: Please be mindful of putting your blankets away while not in use. We have a lot of guests constantly coming through the equestrian center and work very hard at keeping it looking it's best so we don't want blankets hanging all over the rails. Thank you!

Also, just a quick reminder to keep conversations with the staff at a minimum. They are extremely busy and sometimes we can get caught up in conversation and not realize how much of their time we're taking. They have a lot to complete in a day so we just want to make sure we're respectful of their time.

4. Adjournment

The next equestrian committee meeting will be held at **12:00 pm on April 2, 2019 at the Equestrian Center.**
